

ACCOUNTANTS

We have many clients in Mackay who specialise in the provision of innovative and results based advice, management and financial services to entities ranging from small business to large corporations.

At present we are looking to fulfil vacancies for Senior Accountants, Accountants and Graduate Accountants.

To be eligible you will need:

- Accounting Degree or Diploma
- Highly experienced
- A proven work history
- A professional & ethical attitude
- Excellent Time management

Duties of the roles will include:

- Provide excellent technical advice and tailored solutions to clients.
- Producing and compiling accurate and timely financial reports.
- Accounting and finance requirements of the business as directed.

Your ability to communicate with people at all levels is essential as is your organisational skills.

If you are seeking challenging long-term careers then these are the opportunities for you.

If this position is suited to you, please submit your resume to Hayes HR asap.
