

SALES/ COUNTER SALES PERSON

Our client is a locally owned operation based in Mackay in Queensland, Australia. They specialise in the sales and service of all equipment that relates to pumping and water supply, including all pumps and valving and control equipment necessary to ensure that systems will operate reliably in all types of environments and with a wide range of fluid types.

Our client is seeking an experienced **Counter Salesperson** to join the team in Mackay.

Your duties

Maintaining and building relationships with existing and potential clients
Sales of products
Providing exceptional customer service

You will need:

Previous sales experience
Knowledge of pools, pumping and irrigation (preferred)
Good presentation and communication skills

In return, you will receive a competitive salary package and will have the opportunity to work for a company that values their staff and encourages career progression.
