

MINE DEPUTY/ ERZ CONTROLLER

- **Family friendly roster**
- **Well serviced township**
- **Leading Employer**

This Company is one of Australia's leading coal producers with extensive coal mining interests and prospects in Queensland, New South Wales and Victoria.

At present they have an opportunity for a suitably qualified Deputy to fulfil statutory and leadership responsibilities.

Reporting to the Department Superintendent, it will be your responsibility to supervise and inspect all underground activities on site at one of Queensland's premier underground longwall operations.

Other responsibilities will include:

- Ensuring that all operating procedures and standards are followed.
- Meeting productivity targets.
- Supervision and co-ordination of maintenance crews.
- Promoting awareness of safety whilst maintaining effective teamwork and communication.

To be suitable for this role, candidates must ideally have:

- First, Second or Third Class certificate of competency.
- Current First Aid and Shotfiring experience desirable.

We are seeking experienced professionals that are looking for a challenging and expanding operation to further their careers and install a paramount level of safety and integrity to the mining environment.

As the ideal candidate, you will have current experience as a Deputy in a similar operation.
