

"We Specialise in People"

DRAFTSPERSON / GRADUATE DRAFTSPERSON

Our client specialises in steel fabrication and is able to offer a wide range of services including refurbishment, maintenance and shutdowns, structural steel, plate work, pipe work, steel erection, aluminium work and much more. They are striving to become the number one provider of high quality fabrication and maintenance services in the Mackay region and are strongly committed to building its elite workforce.

Due to expansion of their company they are now recruiting a **Draftsperson** or Graduate Draftsperson to further add to their existing Drafting capabilities.

Duties include:

- Provide drafting services with the use of AutoCAD
- 3D Modelling Drafting
- Quotations
- Liaison with Suppliers, Customers and Workshop Staff

The successful candidate will meet the following requirements:

- 2 years plus of study in appropriate area
- Competent with MS EXCEL, WORD & AutoCAD
- Excellent communication skills

If this position is suited to you, please submit your resume to Hayes HR asap.
