

"We Specialise in People"

FITTER/ HYDRAULIC FITTER

Our client specialises in strategic Underground and Open Cut hydraulic system maintenance and design and pro-active maintenance of Hydraulic and Pneumatic components.

They have successfully established a strong customer base within the Underground and Open cut Mining sectors, offering personalised service with an emphasis on exceeding our customer expectations.

They are currently looking to employ a **Mechanical/ Hydraulic Fitter** for workshop and site duties.

You will need:

- Grease pump experience (preferred)
- Sound knowledge of hydraulics
- Good client communication experience
- Ability to work unsupervised

You will receive:

- Stable fulltime work
- Good hourly pay rates
- Career progression
- Excellent training and experience

If this position is suited to you, please submit your resume to Hayes HR asap.
