

DIETICIAN

Our client is looking for a enthusiastic & self motivated Dietician to work with a multi-disciplinary team. You will have the opportunity to offer client focused dietetic services to both individuals and groups. You will be responsible for providing Dietetic services to rural and remote patients, by applying the science of human nutrition, to modify diets to treat medical conditions.

To be eligible for this position:

- Excellent interpersonal and communication skills are essential.
- A degree in Dietetics and membership of DAA (Dieticians Association).
- Knowledge of, or the ability to acquire knowledge to, case manage children, young people, and adults.
- A current driver's licence for a motor vehicle and a willingness to drive to a range of towns throughout the region (fleet vehicles provided).
- A current blue card.
- Demonstrated commitment to work collaboratively with GP's and others to deliver primary health care to all patients.

As a key health professional you will be expected to actively participate in contributing to the delivery and co-ordination of dietetic services in the Mackay, Whitsunday and Hinterland regions of North Queensland. Salary is negotiable to the appropriate candidate.

If you have the essential requirements for this position submit your resume now.

Open to Mackay resident or candidates intending on relocating to Mackay permanently.

OPEN TO AUSTRALIAN RESIDENTS ONLY
