

"We Specialise in People"

OCCUPATIONAL THERAPIST

As an experienced **Occupational Therapist** you will be involved in assisting injured workers with safe and sustainable return to work programmes which underpin the RTW process. These programmes will be supported by a variety of strategies including work site, activities of daily living and functional assessment and injury prevention.

Your qualifications in occupational therapy and the ability to develop and implement quality focused outcomes for our clients are key essentials for this role.

Qualifications required:

- Tertiary allied health qualifications are essential with eligibility for AAOT accreditation or eligibility for membership of the relevant professional association.

Attributes required:

- Solid communication, organisational and time management skills
- A strong desire to help people and achieve great outcomes

If this position is suited to you, please submit your resume to Hayes HR asap.
