

*"We Specialise in People"*

## TECHNICIAN/ POOL TECHNICIAN

Our client is a locally owned operation based in Mackay. They specialise in the sales and service of all equipment that relates to pumping and water supply, including all pumps and valving and control equipment necessary to ensure that systems will operate reliably in all types of environments and with a wide range of fluid types.

A great opportunity exists for a **Pool Technician** to become part of their growing team.

### Your duties:

- Visiting a wide range of domestic and commercial sites
- Providing solutions for pool care to a range of customers
- Providing excellence in customer service

### You will need:

- An ability to learn about water chemistry balancing, filters, pumps, cleaners and chlorinators
- Excellent customer service skills in giving professional advice to customers
- Attention to detail
- The ability to work autonomously
- A current drivers license

**In return, you will receive a competitive salary package and will have the opportunity to work for a company that values their staff and encourages career progression.**

**If this position is suited to you, please submit your resume to Hayes HR now**
