

"We Specialise in People"

FITTER/ PUMP FITTER

Our client is a locally owned operation based in Mackay in Queensland, Australia. They specialise in the sales and service of all equipment that relates to pumping and water supply, including all pumps and valving and control equipment necessary to ensure that systems will operate reliably in all types of environments and with a wide range of fluid types.

They are currently seeking a **Fitter/Pump Fitter** for their workshop operations.

YOU WILL REQUIRE:

- Previous experience with maintenance and repair of pumps.
- Experience in Irrigation and Industrial pumping applications (preferred)
- Trade Qualified.

This position offers stability and long term town based employment. Some O/T may be available. This is an excellent opportunity for an experienced pump fitter who is seeking a work / life balance.

If this position is suited to you, please submit your resume to Hayes HR asap.
